HP ProBook 6570b Notebook PC

Tailored for business. Optimized for Genuine Windows 7 Professional, this configurable notebook features a 39,6 cm (15.6") diagonal display and UMA or discrete graphics[1]. From the professional design to Intel® technology, you're ready for business.

HP recommends Windows® 7.

Constructed for business on the go.
From the bead-blast aluminum display enclosure to the wear-resistant tungsten-colored finish, this mainstream business laptop polishes off your professional look.

Accidents happen. HP 3D DriveGuard[2] helps protect your notebook's hard drive against impact, bumps and drops so your data has enhanced protection.
When size matters, you get to choose. Opt for 39,6 cm (15.6") diagonal HD[3] or HD+[3] displays.

It's good to have options.

Choose between UMA or performance discrete graphics[1] to create impactful visuals that'll impress the boss and co-workers. Plug into additional monitors for a total of four displays to gain an immersive graphics and computing experience with AMD Eyefinity technology[4].
Boost security and simplify access to your computer with the optional Smart Card Reader[1].

Easily navigate your screen with the optional pointstick[1].
Is lighter weight or longer battery life most important? Configure your notebook with the battery options that work best for you.
Gain a numeric keypad and a calculator button to run calculations fast.

Rely on a notebook truly built for business.

Intel® Core™ processors with vPro™ Technology[1],[5] help reduce IT maintenance costs by enabling remote configuration, diagnosis, isolation and repair of infected PCs.
When your workload ramps up, your PC keeps up with added processor performance, thanks to Intel Turbo Boost Technology 2.0[6].
Access the Internet and email in more places than ever, thanks to various wireless technologies[7] that keep you connected — from Wi-Fi CERTIFIED™ WLAN[7] to HP Mobile Broadband featuring 3G and 4G and optional Bluetooth connectivity[1].

[1] Sold separately or as an optional feature.

[2] Requires Microsoft Windows.

[3] HD content required to view HD images.

[4] AMD Eyefinity Technology requires AMD discrete graphics configuration. Total number of screens supported varies by model. HP ProBook 6470b and 6570b support up to four screens.

[5] Some functionality of this technology, such as Intel® Active management technology and Intel Virtualization technology, requires additional 3rd party software in order to run. Availability of future "virtual appliances" applications for Intel vPro technology is dependent on 3rd party software providers. Microsoft Windows required. Select configurations offer vPro technology.

[6] Intel® Turbo Boost technology requires a PC with a processor with Intel Turbo Boost capability. Intel Turbo Boost performance varies depending on hardware, software and overall system configuration.

[7] Wireless use requires separately purchased service contract. Check with your local vendor for coverage area and availability in your area. Connection and speeds will vary due to location, environment, network conditions, and other factors. 4G compatibility with HSPA+ and LTE. 4G LTE is only available in the United States. LTE is expected to be available in June 2012.

Accessories and Services

HP 15.6 Privacy Filter

No more need to worry about prying eyes. This unique HP built-to-fit solution ensures confidential business data, personal information and financial records are visible only to the person sat directly in front of the notebook display.

Product number: AU103AA

HP ST09 Extended Life Notebook Battery

The HP Extended Life Battery allows you to work longer hours away from a power outlet. The HP Extended Life battery offers the convenience of charging the battery while it is docked so there is no need to remove before docking. With the improved battery life, these battery is an ideal solution for the "corridor warrior" who requires extra battery life for all-day computing or long meetings.

Product number: QK639AA

HP 90W Smart AC/Auto/Air Combo Adapter

With the HP 90W AC/Auto/Air Combo Smart Adapter you can experience true power-charging flexibility at work, at home, and your car. Just use the "charging switch" to select the right voltage levels, and even power your notebook while on a plane.

Product number: AJ652AA

HP Adjustable Display Stand

Turn your HP Business Notebook into an ergonomic and desktop-like solution supporting up to a 24 inch display. A dual-hinged, smooth-motion display stand allows for greater depth, height and tilt adjustment for maximum comfort. The adaptable design of the HP Adjustable Display Stand accommodates notebooks that can be connected to a docking station and notebooks that do not have a docking connector.

Product number: AW663AA

HP Deluxe 4 Wheel Roller Case

The HP Deluxe 4 Wheel Roller is a durable nylon case designed to carry everything you need for an overnight trip. An outer compartment features divided sections to store important files and business essentials. The case's main compartment includes padded pockets that can hold a laptop up to 17.3-inches (43.93 cm) in size, plus additional cables and cords. The third, over-sized compartment provides plenty of room for a change of clothes, shoes and personal toiletries. A retractable handle locks in two convenient heights. The four wheels swivel and can to rotate 360 degrees to enhance maneuverability, and allow the bag to be transported in a leaning or upright position.
